Driver Project (History)

Emperors & Empires

What is this about?

In the Emperors and Empires project, we will learn about the growth and decline of the Roman Republic and the Roman Empire. We will discover the absolute power of the Roman emperors and study the hierarchies of Roman society and the Roman army. We will study the first invasions of Britain in 55 and 54 BC and the Roman conquest of Britain in AD 43. We will learn about Boudicca's rebellion, Hadrian's Wall and the Romanisation of Britain, including how Christianity came to Britain and investigate the legacy of Roman Britain in their local area.

Why is this relevant to us?

The South-West of England has a strong Roman history including Fosse Way which runs through Yeovil.
