

Sycamore Class

Spring Term 2026

R	Resilience Responsibility
E	Equality
S	Safe
P	Positivity
E	Empathy
C	Courage Curiosity
T	Togetherness Trust

Driver Project (Geography)

Frozen Kingdoms

What is this about?

This project teaches children about the characteristics and features of polar regions, including the North and South Poles, and includes a detailed exploration of the environmental factors that shape and influence them. They will be investigating the climatic differences between the two regions and observing what happens to daylight.

Why is this relevant to us?

Climate change is a very real threat to non-only indigenous wildlife but also further around the world. We are the next generation to deliver solutions to the increasing problem of global warming.

Enrichment Possibilities

Class fundraising in order to adopt a Polar Bear through the WWF (Worldwide Wildlife Fund) [Adopt a Polar Bear today | WWF UK](#)

Art
Inuit / Environmental Artists
Key Artist
David Ruben / Antony Gormley

Languages
Latin – Unit 2: Present Tense Verbs

DT
Engineer

R.E.
Islam (Iman) and Hinduism (Atman)

Music
Dona Nobis Pacem

P.E.
Benchball / Ult. Frisbee / Dance

English The Write Stuff
Narrative – Fiction
Non-Chron Report / Biography
Speech / Script
Maths White Rose Mixed Age (5/6)
Decimals
Fractions, Decimals and Percentages
Area and Perimeter
Science White Rose
Properties of Materials
Animals incl. Humans
Life Cycles
