New Books Home – Thursdays
Books back to school – Tuesdays
PE – Wednesdays & Thursdays
(PE bags will stay in school)

First Half Term Project - Geography

What is this about?

In this project, children will learn what an atlas is, use compass points and map keys, apply map skills in school, carry out fieldwork and use online mapping tools to explore the local area.

Enrichment Possibilities

Possible walks to find out more about our local area and how these are represented on maps.

Second Half Term Project - History

What is this about?

In this project, children will learn about the history of flight and how human invention and brave aviators have changed the world of aviation and our everyday lives.

Enrichment Possibilities

Visit to Fleet Air Arm Museum.
Investigate flying toys such as paper planes and kites.

Video Production

We will be reading a range of picture books and short chapter books that help us develop our geography, history and science skills.

These books will include: The Naughty Bus, Fantastic Mr Fox, I Flew Around the World, Marvellous Animal Homes, Kicking a Ball and Which Food Will You Choose?

Our Nativity will
be 8th December
at 3:30pm
